

Saving your results in iDiscover

1. Saving your results

Tip: You can pin (save) favourites without logging in. However, these favourites will only save to a 'My Favourites' page for the duration of your browsing session. To keep your favourites, remember to log in to iDiscover first.

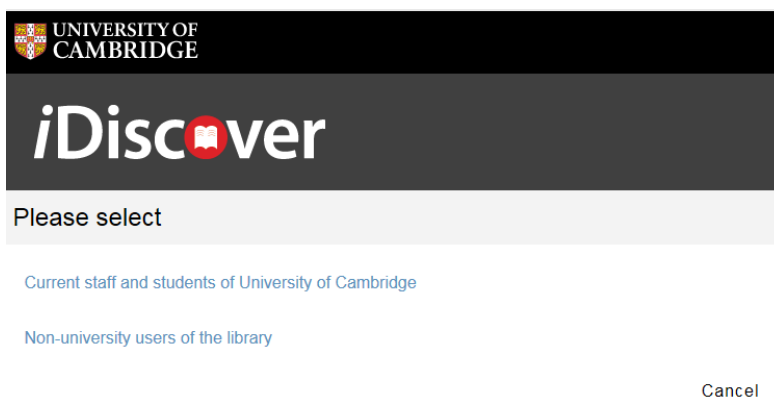

- Click on the '**Login to iDiscover**' in the top right of the navigation bar:

- Click on the LOGIN TO IDISCOVER button:

- A login screen will appear:

Note: There are two separate logging in options:

- Current members of the University.** Click on this option if you are a member of Cambridge University (with a Raven login). A Raven login screen will then appear for you to enter your Raven details.
- Non-University members/Other users of the library:** Click on this option if you are not a member of the University of Cambridge but you have a library account in one of the libraries in the University. A login screen will appear for you to enter the barcode on your card, along with your name.
(**Note:** For surnames with an apostrophe, please enter your surname without – e.g. O'Connor enter as oconner)

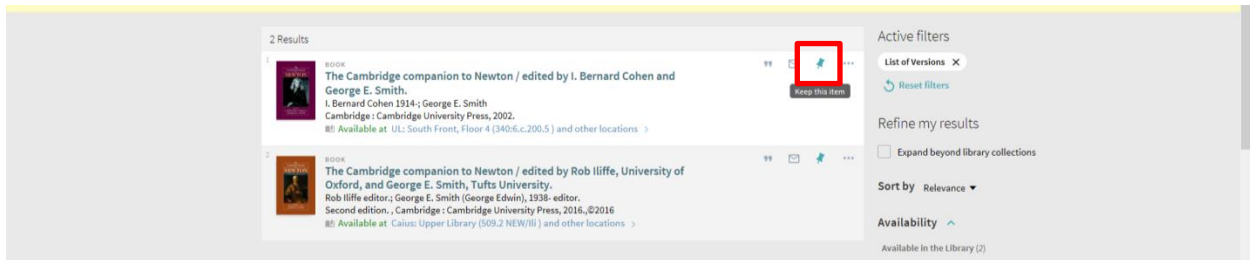

QUICK GUIDE TO iDISCOVER: Saving your results

This will work for all library accounts recognised by the University of Cambridge. For more information about accessing other libraries, go to the libraries directory:

http://www.lib.cam.ac.uk/libraries_directory/libraries_directory_n.cgi?search=Y

2. Saving from the results page

- Complete a search.
- On the results page, click on the pin icon to save an item to 'My Favourites':

- The record you save will turn yellow and the pin icon will change to show that you have pinned (saved) this item:

- To unpin, click on the pin icon. This will remove the record from your saved list.

3. Saving from the detailed record

- Complete a search.
- Click on an item in the results page that you want to see details of.
- The pin icon appears on the top right of the detailed results page:

- Click on this pin to save the item.
- The pin icon will change and the saved record will display in yellow.
- To unpin, click on the pin icon. This will remove the record from your saved list.

4. Viewing your favourites

- To see all your favourites (pinned items), click on the pin icon in the top navigation bar:

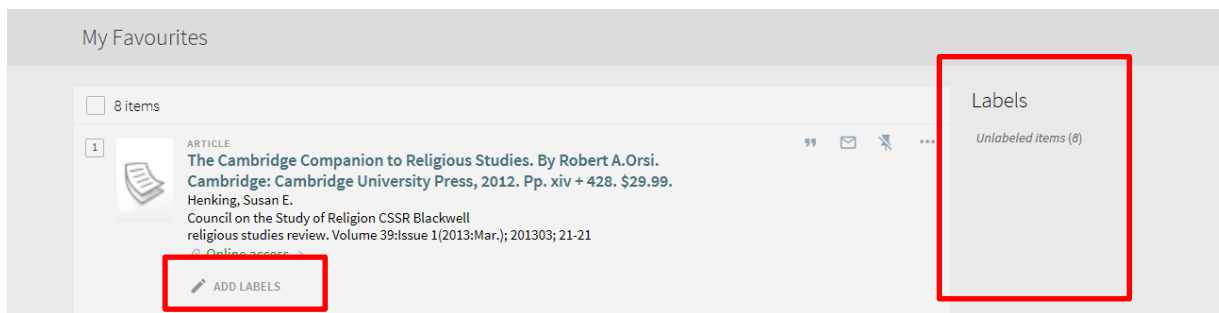

5. Adding labels to your favourites

- Log into iDiscover using the 'Login to iDiscover' link at the top right of the screen.
- Click on the pin icon in the top right corner of the screen to see all your saved items:

- You can add labels to your pinned (saved) items to group them together and make searching easier (See Quick Guide: My Library Account). Labels can help to identify categories within your searches or can serve as important notes to yourself:

- To add labels, click on ADD LABELS underneath your saved item.
- Enter your label name and then press the return key on your computer to save the label.
Note: It is possible to put more than one label on a saved item.
- The label will appear in the 'Labels' list to the right of the record.
- You can filter your list using the different labels.
