The aims and management of the Friends

As stated in the Memorandum of Understanding between the Friends and the University, which came into force on 1 August 2012, the objective of the Friends is to advance the education of the public, in particular by supporting and furthering the charitable work of Cambridge University Library. The Committee of the Friends has responsibility for the following activities:

(a) to encourage regular and one-off donations to the Library from persons who wish to be Friends, to be used for the purchase of items or services chosen by the University Librarian in consultation with the Friends’ Committee and/or the Financial Panel and for the general purposes of the Library;

(b) to maintain the record of the current membership of the Friends;

(c) to organise events and activities for members of the Friends in co-operation with the Library, including lectures and educational visits. Individual Friends and their guests taking part in them shall pay the Library for attendance at such events and activities;

(d) to engage in any other lawful activities to support the Library.

The activities recorded in this report are those undertaken in order to carry out the Friends’ aims for the public benefit.

The affairs of the Friends are conducted by a Committee ordinarily consisting of a President, Secretary, and not less than ten nor more than sixteen other members. The President and Secretary are appointed annually by the Syndicate on the nomination of a General Meeting of the Friends, on the recommendation of the Librarian. Other members of the Committee are elected at a General Meeting of the Friends for terms of three years renewable for a second term but not thereafter until the lapse of two years. The Committee has power to co-opt members to serve on the Committee for one year, subject to there being no more than two co-opted members at any time.
