2. Login to 'My library account'

The difference between these login functions is explained below:

### 1. Logging in to iDiscover

This option logs you in to the iDiscover system. Log into:

- view your 'My favourites' area showing items you have pinned (saved) during your browsing and any searches you have saved ([See Quick Guide: Saving your results](#)).
- to view FULL search results (some databases only show results if you are logged in).

To log in to iDiscover:

- Go to the iDiscover home page: [www.idiscover.cam.ac.uk](http://www.idiscover.cam.ac.uk)
- Click on the 'Login to iDiscover' in the top right of the navigation bar:

### 2. Logging in to 'My library account'

This option logs you into your 'My library account' area. Within your account you can:

- view loans and renew items.
- view borrowing rights and any fines or fees.
- view and cancel requests.

For further information [see Quick Guide: My library account](#).

To log in to 'My library account':
