
INDEX to the Groupings used in List of Geographic Headings in Cambridge University Library Map Department Card Catalogue - GREAT BRITAIN AND IRELAND

The LIST of Geographic Headings found in the Map Department Card Catalogue (see separate document) has been grouped under the regions listed below. Most are administrative regions / county names but some of the Geographic Headings have been grouped more generically: e.g. Hills, regions, roads, paths - Lakes - Railways - Rivers and canals - Seas and sea features, especially when the feature spans more than one administrative region.

Country / County
