

Finding Journals and Articles in iDiscover

1. You can choose to search within iDiscover using one of the three options by selecting a radio button at the top of the screen:

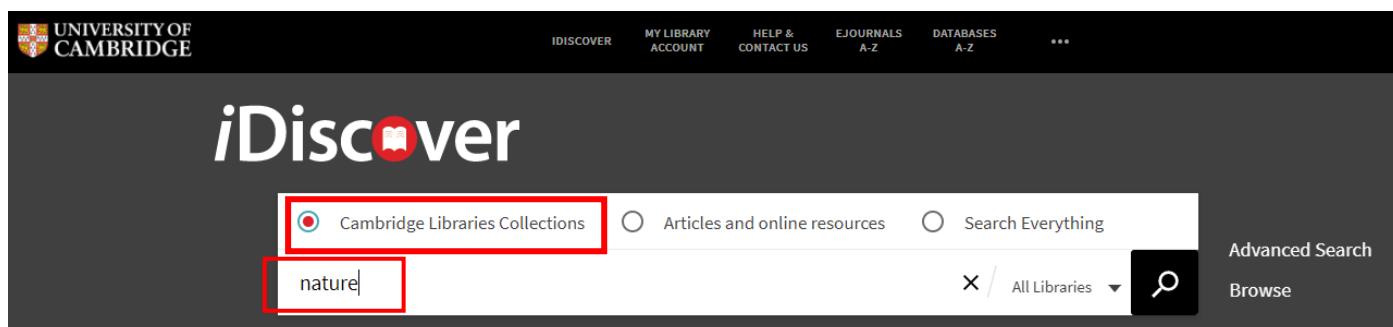

- **Cambridge Libraries Collections:** books (printed and electronic), other physical library content and Apollo, the Cambridge institutional repository.
- **Articles and online resources:** Articles online (both in peer-reviewed journals and from other sources), databases, electronic journals and other online content.
- **Everything:** All of the resources covered by the Cambridge Libraries Collections and Articles and online resources searches

2. Finding journals

- Enter the title of the journal in the simple search box and *choose the Cambridge Libraries Collections search option.*

For example, Nature:

- This will search across all Cambridge libraries and collections (print and electronic).
Note: To refine your search to a single library select a library from the dropdown list.

Tip: Use "... " to focus the search to the exact title. This will bring up more relevant results.

- You can identify records for journals by the label JOURNAL:

The screenshot shows the iDiscover search interface. At the top, there are navigation links for 'UNIVERSITY OF CAMBRIDGE', 'iDiscover', 'IDISCOVER', 'MY LIBRARY ACCOUNT', 'HELP & CONTACT US', 'EJOURNALS A-Z', and 'DATABASES A-Z'. The search bar contains the text 'nature' and is set to search 'All Libraries'. Below the search bar, there are three radio buttons: 'Cambridge Libraries Collections' (selected), 'Articles and online resources', and 'Search Everything'. The search results are displayed on 'PAGE 1' with '60,014 Results'. Three journal entries are visible:

- 1** **Nature [electronic resource].**
Nature Publishing Group.
Print began with v. 1 (Nov. 4, 1869), [London] : Nature Pub. Group
- 2** **Nature.**
Vol. 1, no. 1 (Nov. 4, 1869)-, London : Macmillan, 1869-
Check holdings at Peterhouse: Ward Library, Journals (PER.19.1) >
- 3** **Nature.**
Vol. 1 (Nov. 4, 1869)-, [London : Macmillan Journals Ltd.], 1869-2000- : London : Nature Pub. Group
Available at UL: Order in Rare Books Room (Not borrowable) (CP340:1.b.95) and other locations >

On the right side, there is a 'Refine my results' section with filters for 'Sort by Relevance', 'Availability' (Available in the Library (52,801), Full Text Online (5,070)), and 'Resource Type' (Books (55,999), Articles (1,389), Journals (906), Maps (660), Other (459)).

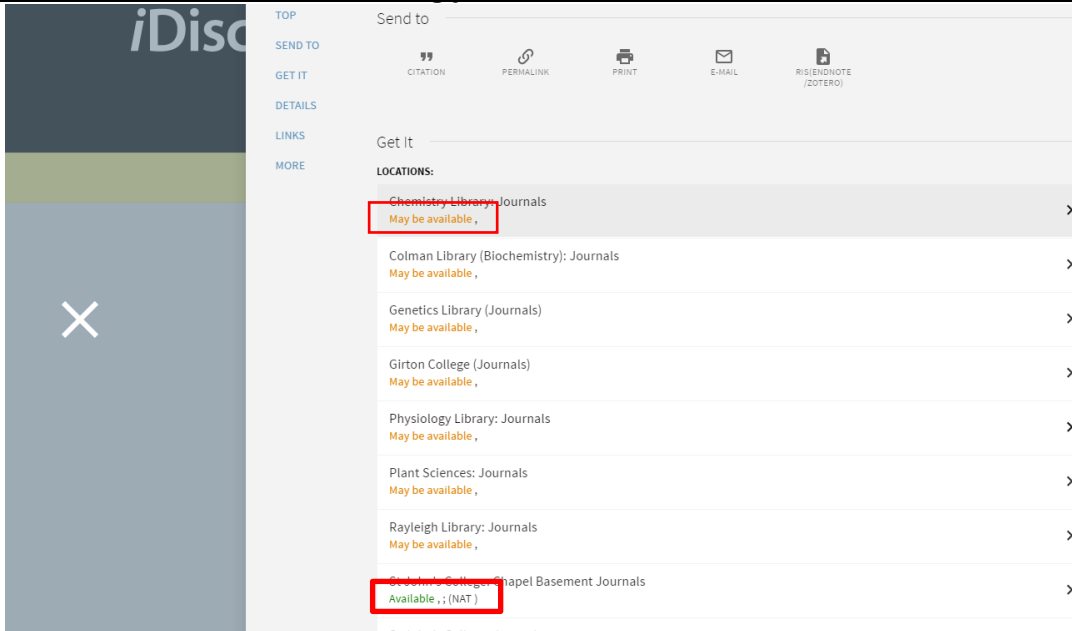

3. Locating print journals

- Click on a journal title to see further details and libraries that have the journal. Print journals will show the location and classmark. You will see **‘Check holdings at’** or **‘Available at’**.
- Click on the **‘Check holdings at’** or **‘Available at’** link to see which libraries have the journal and further details (**‘and other locations’** means there are several locations where this print journal is held. Click this link to see a list of the libraries with this journal edition).

This screenshot shows two search results for print journals:

- 1** **Nature: physical science.**
no. 1-155; Jan. 4, 1971-Dec. 17/24, 1973., Vols.229-246(1971-73), London, Macmillan Journals Ltd.
Check holdings at UL: Temporary Store 2. Request via Inter-Library Loan (A0.1.10) and other locations >
- 2** **Nature: New biology.**
no. 1-155; Jan. 6, 1971-Dec. 19/26 1973., Vols.229-246(1971-73), London, Macmillan Journals Ltd.
Available at UL: South Front, Floor 3 (P340:1.b.95) and other locations >

- The full list of libraries is then shown.
 - Click on **‘Available’** or **‘May be available’** to see the most recent issues in a library:

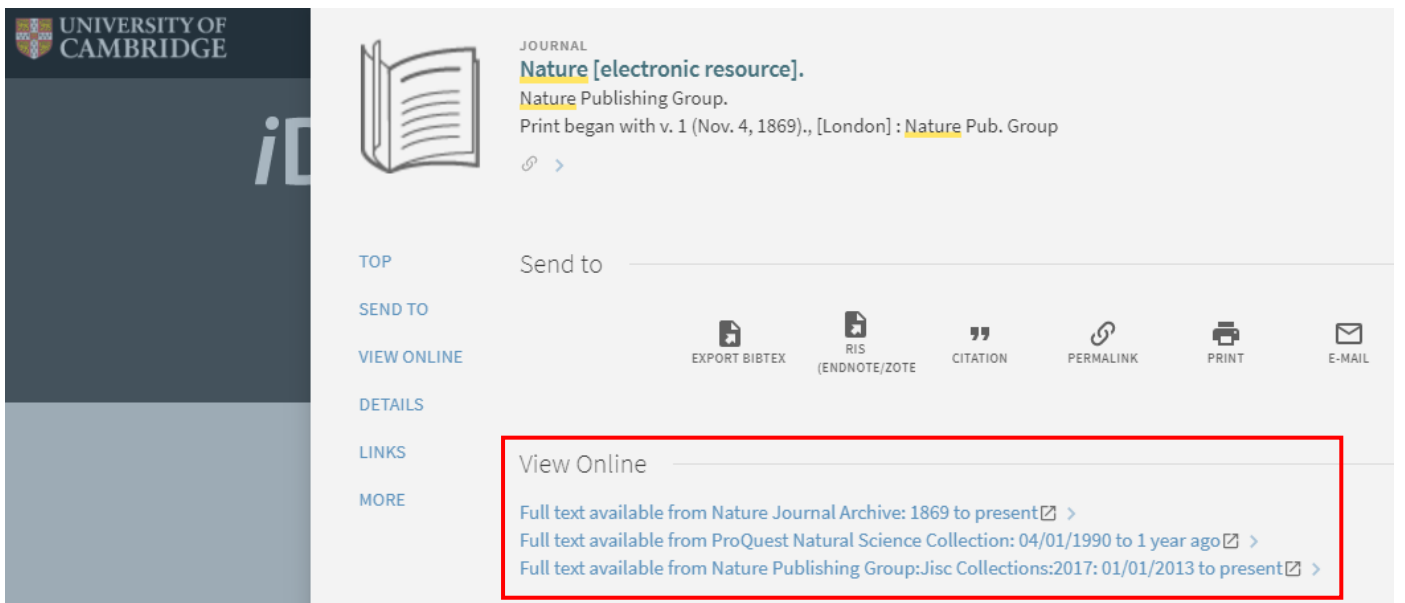

4. Linking to ejournals

- Open the record to the full view by clicking on the journal title:

- Click on one of the links under the heading 'View Online' to link to the ejournals:

(See also: Quick Guide: Advanced searching methods)

Note: eJournals that have been received under Electronic Legal Deposit can only be accessed on the dedicated legal deposit terminals located in the University Library and Affiliate Libraries (see <http://www.lib.cam.ac.uk/collections/departments/legal-deposit/access-electronic-legal-deposit>)

If access to any resources are restricted (e.g. Electronic legal deposit items) this will be shown in the Rights section of the detailed information pages.

Note: There is also a citation search function on this website.

5. Finding articles

- Enter the title of the article in the simple search box and *choose the Articles and online resources search option*.

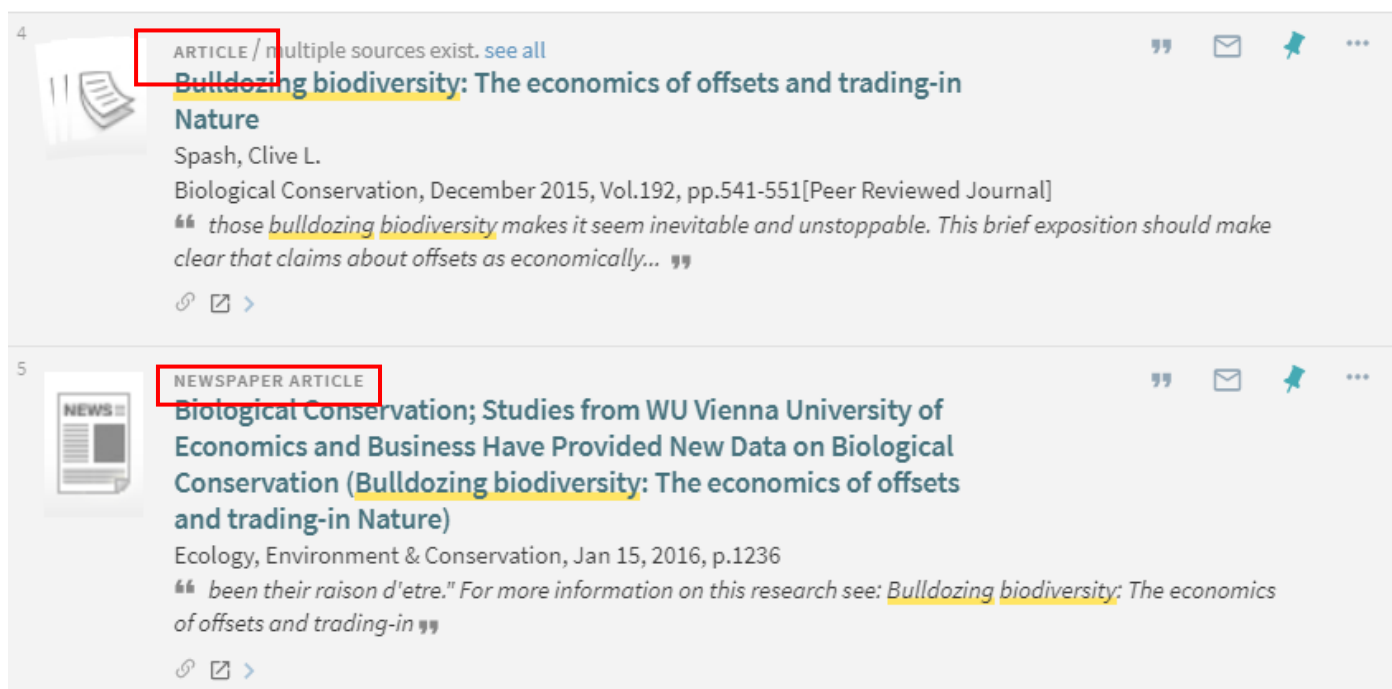

For example, *Bulldozing biodiversity*:

- This will search across all online article, ejournal, database and ebook collections.
Note: If you want to find a print article, search for the journal title and choose the Cambridge Libraries Collections search option. Searching for article titles will provide electronic article results only.

Tip: Use “...” to focus the search to the exact title. This will bring up more relevant results.

- Article records will show the word ‘ARTICLE’ in the results list:

Note: ‘multiple sources exist’ means that the same article can be accessed from a number of different sources. You can click through to the detailed information page to see the different possible sources available.

6. Refining your results for journals and articles

- Use the filters in the 'Refine my results' section to the right of the results screen:

The screenshot shows the iDiscover interface with the search term 'nature'. The search results are displayed on page 1 of 16,157,549 results. The results list includes:

- JOURNAL**: Nature [electronic resource]. Nature Publishing Group. Print began with v. 1 (Nov. 4, 1869)., [London] : Nature Pub. Group
- BOOK**: Nature. Ralph Emerson author. London : Penguin
- JOURNAL**: Nature biotechnology [electronic resource]. Nature Publishing Group. Vol. 14, issue 3 (Mar. 1996)-, New York : Nature America, Inc., ©1996-

The 'Refine my results' sidebar on the right is highlighted with a red box and contains the following filters:

- Sort by**: Relevance
